Rotary Cutting Mat

**All of your Rotary Cutters** even the ones you couldn't put back together.

All of your Rotary Cutting Rulers. If you don't own a ruler, I strongly recommend the Omnigrd 6"x24" ruler or Creative Grids 6  $\frac{1}{2}$ " x 24  $\frac{1}{2}$ " ruler as a basic tool. The left handed choice is Omnigrd.

If you have several different brands bring some of each. Instructor will talk about the various rulers, cutters and Mats. Also bring a 6" to 6  $\frac{1}{2}$ " square and/or 6" to 6  $\frac{1}{2}$ " x 12" to 12  $\frac{1}{2}$ " for smaller cuts.
