

# **EMBROIDERY CLUB**

January 28 and 31, 2010

## PASHMINA SCARF

- Pashmina or pashmina type scarf or wrap
- Low density embroidery designs—I used OESD's ETO, Variegated Garden
- Embroidery threads for the designs—I used variegated threads
- Extra bobbins
- Needle—Schmetz embroidery size 75
- Stabilizer:
  - Washable scarf—Badgemaster
  - Dry clean only scarf—Floriani's Heat and Gone
- 505 temporary spray adhesive
- Embroidery hoops—sizes appropriate for the designs
- Embroidery machine, embroidery foot, curved blade thread snips, machine cords, machine foot control if needed

### PREP BEFORE CLASS:

If possible, print out your designs individually. Make sure that you have show hoop selected and that you have selected a hoop with the x and y lines. This will give you the centers of the designs which are critical for exact placement.
