

## Hot Shots Supply List

### **Hot Shot Pattern** (Maple Island Quilts)

Check the pattern for the fabric requirements for the size quilt you are making. There are two samples in the Quilt Patch that may help you.

**Sewing Machine**—don't forget to bring the foot pedal

**1/4" foot** or know where the 1/4" seam allowance mark is on your machine

**Thread** for piecing

**Basic sewing supplies**—scissors, thread snippers, seam ripper, pins, etc.

### **Rotary Cutter and Mat**

**Two rulers**--A long ruler (24 X 6.5 if you have it) and a shorter ruler . Bring what you have. We will be cutting 6.5" and 8.5" strips. If you have two rulers we can more easily cut these larger pieces.

I look forward to having a fun creative day. Please email me if you have questions.
