All students MUST know how to operate their sewing machine, including how to thread it, wind a bobbin and load the bobbin into the machine.

Pillowcase pattern from the Quilt Patch
Sewing machine IN GOOD WORKING ORDER
Foot pedal and power cord
Standard presser foot, capable of zig-zag stitch
If the machine has more than one stitch plate, please be sure the zig-zag plate is on the machine (this is the standard stitch plate on almost any machine)
Thin straight pins
Seam ripper
Scissors
Thread to match main fabric
Rotary cutter and mat
6"x24" rotary ruler

FABRIC: this will make 2 pillowcases

Pillowcase fabric – 1 5/8 yd
Accent fabric - 1/4 yd (this is the thin strip between the main fabric and the border)
Pillowcase border – 5/8 yd
