

## QUILT AS DESIRED

1 or 2 quilt tops to discuss. We will discuss one quilt for everyone and depending upon time go on to the second quilt. The tops may be in any stage of completion including blocks if we can see the pattern from the design wall across the room. The class will be taught in the upper level classroom. Park in the shop level parking lot and enter through the Quilt Patch (if open) or through the glassed front door on Main Street.
